

Summit UU Fellowship Covenant of Care

In practicing our Unitarian Universalist Principles and Purposes and with Love as our guide, we covenant to support the care and well-being of all during our in-person gatherings using the following points of care. We recognize that there are members of our community who cannot be vaccinated. We also recognize that the Delta variant is *highly contagious* and airborne.

Therefore, we care for the most vulnerable in our Fellowship by:

- ❖ For all Summit gatherings, indoor or outside and regardless of size, masks are required for everyone over the age of 2-years old.
- ❖ Having all people 5-years old and up attending in-person events be vaccinated.
- ❖ Staying home rather than attending in-person gatherings if we are ill or we are feeling like we are becoming sick, have a fever or have been exposed to someone who is ill. (This includes colds, flu, etc.)
- ❖ Agreeing to notify the Summit Office and the Fellowship Community if we have been exposed to COVID-19 and have been physically in contact with members of the community on campus or at a Summit function.

This is a living document and will be adapted as our community care needs evolve.

As of 12/7/21, we will be operating at a 50% pre-COVID occupancy.

Sanctuary - No more than 60 people

Salon - No more than 20 people

Library - No more than 6 people
